HELP US, HELP YOU TO MAKE YOUR EXPERIENCE BETTER

Let us know about any new products, equipment, or services you are showcasing or launching at INTERPHEX this year. Upload your technology/product logos, descriptions, images, and/or videos within the Exhibitor Dashboard or share directly with the marketing team. We will include them in our marketing and social media campaign—increasing your leads and driving Key Decision Makers to your booth. Speak with your sales representative to learn more about our other free promotional marketing opportunities.

Contact Todd Sheahan for exhibitor pricing, to reserve your booth space, or general exhibitor assistance at tsheahan@reedexpo.com or 203-840-5397.
