LET US DO THE HEAVY LIFTING

Freeman specialists are ready to assist you with all of your exhibit requests, from beginning to end. And when it comes to installing and dismantling exhibits, we make no exceptions. Whether it's shipping and storage, emergency on-site repairs, basic installation and dismantling or support service coordination, including electrical, furnishings and more, Freeman has the resources and capabilities to ensure the most successful show experience possible.

FREEMAN

INSTALLATION + DISMANTLE

Freeman installation & dismantling experts work closely with you to coordinate every phase of your trade show participation, including:

- Pre-planning and budget consultation
- Skilled labor coupled with support services coordination electrical, furnishings, floral, transportation, and audio visual
- On-site supervisors with dedicated floor managers
- Full, in-house carpentry for emergency repairs and refurbishing
- Post-show evaluations focused on incremental improvement to meet rapidly changing market conditions based upon customer feedback
- Post-show evaluations that help identify small changes that make big impacts

ON-SITE SUPERVISION

You may wish to supervise labor on your own, but if you need assistance, Freeman installation & dismantling experts will get the job done as an extension of your team.

If You Use Freeman Staff

Exhibits can be set up prior to your arrival under the direction of Freeman I&D supervisors.
