

INTERPHEX Announces Platinum Sponsorship Donation to OUTBio: Greater New York

Norwalk, CT (March 11, 2024) – **INTERPHEX** has announced its support and involvement in OUTbio: Greater New York’s mission to empower LGBTQ+ professionals and allies in drug development.

OUTbio: Greater New York is a nonprofit organization dedicated to advancing diversity, equity, and inclusion within the biotechnology industry. With a mission to empower LGBTQ+ individuals, the organization fosters a supportive community and advocates for equal opportunities and representation. OUTbio: Greater New York provides resources, networking opportunities, and educational programs to cultivate a more inclusive environment where all members of the LGBTQ+ community can thrive. Through its initiatives, OUTbio: Greater New York aims to promote innovation, drive progress, and ensure that diverse perspectives are valued and celebrated in biotechnology and beyond.

INTERPHEX will host a networking reception during the Show on Wednesday, April 17 from 6:00 – 8:00PM in the Javits Center for all OUTbio: Greater New York members, INTERPHEX visitors, and exhibitors who wish to participate. Those interested may complete an [**RSVP form here >>**](#)

Dedicated to promoting greater inclusivity, INTERPHEX also invites OUTbio: Greater New York members to attend INTERPHEX with complimentary exhibit hall passes.

“The INTERPHEX Team recognizes the immense value that diverse perspectives bring to innovation and progress,” said INTERPHEX Event Director Douglas Lugo. “Our collaboration with OUTbio: Greater New York highlights our commitment to fostering an environment where all individuals feel empowered to contribute their unique talents and perspectives, regardless of gender identity.”

“OUTbio: Greater New York was founded to help nucleate the LGBTQ+ biotech community in New York City and the surrounding regions,” said OUTbio: Greater New York President Darren Wong. “Our partnership with INTERPHEX will help to showcase the talent of the LGBTQ+ community and our contributions to the life science industry.”
