HTI Plastics Successfully Completes Annual ISO Audit

Lincoln, NE — 2/12/2025 — HTI Plastics, a leading custom plastic injection molding manufacturer, is proud to announce the successful completion of our annual ISO audit with zero findings. This achievement underscores our commitment to maintaining the highest quality standards and demonstrates that our facility is optimized to produce pharmaceutical products and medical devices.

ISO 9001:2015 and ISO 13485:2016 are internationally recognized standards that ensure companies adhere to rigorous quality management and regulatory compliance practices. ISO 9001:2015 focuses on continuous improvement, customer satisfaction, and process efficiency, while ISO 13485:2016 is specifically designed for medical device manufacturing, ensuring adherence to stringent industry requirements.

Successfully passing our annual audit with no findings reinforces HTI Plastics' dedication to excellence in all aspects of our operations. By continually meeting these stringent requirements, we demonstrate our ability to consistently provide high-quality products that meet both customer expectations and regulatory standards.

"We are extremely proud of our team for achieving zero findings in this year's ISO audit," said Ford Earhart, Director of Quality at HTI Plastics. "This result highlights our unwavering commitment to quality, compliance, and continuous improvement, ensuring we remain a trusted partner in the medical, pharmaceutical, and all other industries we serve."

HTI Plastics remains dedicated to investing in cutting-edge technology, optimizing processes, and upholding the highest industry standards in the custom plastic injection molding industry. Our successful audit affirms our ability to deliver superior products while maintaining the strictest levels of safety, efficiency, and compliance.

ABOUT HTI PLASTICS

Since 1985, HTI Plastics has provided high-quality injection-molded plastic parts to customers in the U.S. and overseas, with a strong focus on both responsive expertise and exceptional value. HTI's knowledgeable team is dedicated to working in partnership with customers to provide innovative solutions and timely deliveries in an atmosphere of continuous improvement.
