Praj Industries Ranked No. 1 in Advanced Bioeconomy

Praj Ranked No. 1 in the 'Hottest 50 Companies in Advanced Bioeconomy' becoming the first Asian and Indian company to bag this honour. This announcement was made at Global Bioeconomy's Flagship Industry Conference – ABLC 2024 held at Washington DC. The US-based magazine, [The Daily Digest](#), with more than 6.1 million unique readers, conducts these annual rankings of the globally most competitive companies in Bioeconomy.

This recognition is a testament to Praj's Climate Action initiatives in the Global Bioeconomy under the visionary leadership of Founder Chairman, Dr. Pramod Chaudhari.

From Global Rank #34 in 2018 to Global Rank #8 in 2019 and finally propelling to the Global Rank #1 in 2024, it has been a spectacular journey.

Thank you,

Regards,

**Praj HiPurity Systems Limited,**
